

PART 1 ELIGIBILITY REQUIREMENTS - Words shown in italics are defined in Part 8 and 9 on page 4 of this application

You must be over the age of 14 days and under age 90 on the date of your application, a Canadian resident and be covered by the Government Health Insurance Plan (GHIP) of your Canadian province/territory of residence for the entire duration of your trip. You must meet all the eligibility requirements as stated below in # 1, 2, 3 and 4. If you are unsure of your eligibility based on your medical history, please consult with your physician.

If you are under age 55 or over age 89, call your broker or The Destination: Travel Group Inc. at the above number to inquire about our Destination: Travel Leisure Plan or our over age 89 products.

COVERAGE IS NOT AVAILABLE TO ANY INDIVIDUAL WHO:

1. a) has been diagnosed with a *terminal illness*;
- b) has been diagnosed with Acquired Immune Deficiency Syndrome (AIDS) or Human Immune Deficiency Virus (HIV);
- c) received *treatment* for pancreatic cancer, liver cancer or any type of cancer that has metastasized;
- d) had an organ transplant (heart, lung, liver, kidney) or a bone marrow or stem cell transplant;
- e) has been diagnosed with or received *treatment* for congestive heart failure or cardiomyopathy in the last 24 months;
- f) has had a *lung condition* for which the use of home oxygen has been prescribed in the last 24 months;
- g) has been diagnosed with or received *treatment* for Stage 4 or Stage 5 chronic kidney disease or any kidney condition requiring dialysis, or;
- h) requires *assistance with activities of daily living*.

IN ADDITION TO QUESTION 1 ABOVE, TO BE ELIGIBLE FOR COVERAGE:

2. You must not have had, prior to your application date, your most recent heart surgery (if any) more than **12 years ago**. **Heart surgery** includes coronary bypass, coronary angioplasty, valve surgery (repair or replacement), valvuloplasty, implanted pacemaker or implanted defibrillator (excluding battery change).
3. In the 12 months prior to your application date, you must not have:
 - a) been hospitalized for 24 hours or more for **any** of the following medical conditions:

• Artery or Vein disorder	• Diabetes (excluding diet controlled)	• Bowel/stomach disorder
• Heart condition	• Stroke (CVA), Transient Ischemic attack (TIA)	• Cancer (excluding basal or squamous cell skin cancer and breast cancer treated only with hormone therapy)
• Lung condition	• Liver or Pancreas disorder	
 - b) been diagnosed or *treated* for **3 or more** of the medical conditions listed in Question 3 a) above;
 - c) been prescribed a total of **6 or more** separate and distinct prescription medications (excluding aspirin and prescriptions for *minor conditions*) for all of the medical conditions combined as listed in Question 3 a) above;
4. You must not have had, on your application date, a diagnosed aneurysm of **4 centimeters or more** in either length or diameter, that has not been surgically repaired.

If you do not meet all the above eligibility requirements, you are not eligible to purchase this insurance; other coverage options may be available. Please consult with your insurance broker or agent or contact us at 1-855-337-3532.

IF YOU ARE ELIGIBLE, PLEASE COMPLETE THE BALANCE OF THIS APPLICATION.

IMPORTANT: If your health status changes prior to the effective date indicated on your Confirmation of Coverage which makes you no longer eligible for this policy, you must notify The Destination: Travel Group Inc. immediately and upon submission of proof of ineligibility, will receive a full refund. For Annual Multi-Trip plans, if your health changes after the effective date indicated on your Confirmation of Coverage, your eligibility will not be affected but coverage for that medical condition will be subject to your pre-existing medical conditions exclusion.

I have read the above eligibility requirements. I understand them, and declare that I am eligible. I acknowledge that any policy and coverage provided to me on the basis of the answers given will be deemed null and void if any answer is not correct.

PART 8 MEDICAL DEFINITIONS

Assistance with activities of daily living means eating, bathing, using the toilet, changing positions (including getting in or out of bed or chair) and dressing.

Artery or vein disorder includes aneurysm, peripheral vascular disease (PVD), deep vein thrombosis (DVT), phlebitis, blood clots, venous insufficiency, carotid artery stenosis, arteriosclerosis. It **does not** include varicose veins.

Bowel /stomach disorder includes ulcer, diverticulitis, irritable bowel syndrome (IBS), gastritis, ulcerative colitis, Crohn's disease, inflammatory bowel disease, gastrointestinal bleeds, bowel obstruction. It **does not** include hemorrhoids, gastroesophageal reflux disease (GERD) or acid reflux.

It **does not** include the removal of polyps during a colonoscopy if this occurred once in the last 24 months and medical records indicate no further investigations, procedures or *treatment* are required or recommended.

Heart condition includes heart attack (myocardial infarction), arrhythmia, atrial fibrillation, heart murmur, irregular heart rate or beat, chest pain (angina), congestive heart failure, cardiomyopathy, congenital heart defect or any other condition relating to the heart.

Insurer means The Manufacturers Life Insurance Company (Manulife).

Lung condition includes chronic obstructive pulmonary disease (COPD), asthma, chronic bronchitis, chronic pneumonia, emphysema, tuberculosis, pulmonary fibrosis. It **does not** include seasonal allergies.

Minor condition describes a sickness or injury during the *stability* period which ended prior to the policy effective date and which did not require:

- i. *treatment* for a period longer than 15 consecutive days; or
- ii. more than one follow-up visit to a physician; or
- iii. hospitalization, surgery, or referral to a specialist; and
- iv. which ended at least 30 days prior to the departure date.

A chronic condition or any complication of a chronic condition **is not** considered a minor condition.

Neurological disorder means Alzheimer's disease or dementia, cerebral palsy, epilepsy, seizures, Parkinson's disease, Multiple Sclerosis or Lou Gehrig's disease (ALS).

Treatment / treated means a medical, therapeutic or diagnostic procedure prescribed, performed or recommended by a physician, including but not limited to prescription medication, surgery or investigative testing that results in a diagnosis of a specific medical condition. Does not include *minor conditions*.

Terminal illness means a medical condition for which, prior to your policy effective date, a physician gave a prognosis of eventual death within 24 months or palliative care was received.

PART 9 DEFINITION OF STABILITY (Your policy provides coverage for *stable* pre-existing conditions based on your plan classification)

Stable describes all medical conditions for which:

- a) there has been no new *treatment*; and
- b) there has been no alteration in any medication for the condition or in its usage or in its dosage, nor any alteration in *treatment* prescribed or recommended by a physician; and
- c) there has been no signs or symptoms or new diagnosis; and
- d) there has been no test results showing deterioration; and
- e) there has been no hospitalization; and
- f) there has been no referral to a specialist (made or recommended) and you are not awaiting the results of further investigations performed by any medical professional.

The following conditions are not considered stable:

- a) any **lung condition** for which in the last 365 days you were prescribed or are taking **prednisone** for a period of more than 10 consecutive days; and
- b) any **heart condition** for which in the last 12 months you have used **nitroglycerin**.

The following are considered stable:

- a) Routine (not prescribed by a physician) adjustment of insulin or Coumadin provided it was not first prescribed during the automatic stability period*.
- b) The change from a brand named medication to a generic brand medication provided that the medication was not first prescribed during the automatic stability period and the usage or dosage has not changed.
- c) a new medication prescribed solely as a result of a drug manufacturer's discontinuance of the original medication taken.
- d) the decrease or elimination of a medication dosage by a physician, provided that it has changed more than 90 days prior to your policy effective date and has not had any effect on the stability of your medical condition for the 90 days prior to your departure/effective date.

* See page 2 for automatic stability period for each plan classification

PART 10 DECLARATION AND AUTHORIZATION

- I declare that on my policy effective date(s), I will meet the eligibility and plan classification requirements. Where I was unsure of my medical condition(s), I consulted with my physician and I understand that only my physician or I can establish my eligibility for this policy. I understand that in applying for coverage under this policy it is my responsibility to be aware of all my medical conditions. I understand the eligibility and plan classification requirements are material to the risk and form part of the application/policy and in consideration for the insurance for which I am applying.
- I acknowledge that any misrepresentations and non-disclosure of my medical status will result in non-payment of my claim and render my coverage null and void resulting in the refund of my premium.
- If I am found to be not eligible for this insurance, Active Care Management, on behalf of Manulife has the right to collect from me any monies paid out on my behalf.
- I understand that the insurance applied for will not become effective unless The Destination: Travel Group Inc. / Manulife accepts this application and receives the full premium and a signed and dated copy of the application. The Destination: Travel Group Inc. / Manulife has the right to decline any application without explanation. In the event that this application is not accepted, I will receive a full refund. I understand that certain terms, conditions, limitations and exclusions (including the pre-existing condition exclusion, if applicable) will apply and that only treatment for medical emergencies will be covered under this insurance.

- Medical Authorization in Case of Claim – I understand that Manulife and Active Care Management may investigate my claim. By signing this application, I hereby direct and authorize any physician, health care practitioner, hospital or other medical care facility, pharmacy, the Ministry of Health or any other person who has attended or examined me or who has knowledge or records of me or my health, to furnish to The Destination: Travel Group Inc. / Manulife and to Active Care Management any or all information with respect to any illness, injury, medical history¹, consultations, medicines or treatment and copies of all hospital and/or medical records for the purpose of investigating my claim. Your personal information is also collected for the purpose of providing insurance services, claims and payments. Please refer to the Privacy Information Notice contained in the policy document for further details.
- I hereby direct and authorize any other insurance plan under which I am covered for benefits to disclose personal information as may be necessary or to make payment in respect of my claim to Active Care Management directly.
- This authorization remains valid until any claim pending or disputed under a policy issued as a result of this application is settled unless an applicable law specifies a shorter period, in which case it would expire within the period applicable under that law.
- I/we the undersigned consent Manulife / Active Care Management to provide The Destination: Travel Group Inc. with any and all data related to claims information.
- A photocopy, electronic copy or fax of this authorization will be treated in the same manner as the original.
- If I/we am/are paying for this insurance by credit card, I/we authorize this transaction.
