## Important Notice

### READ CAREFULLY BEFORE YOU TRAVEL

You have purchased a travel insurance policy - what's next? We want you to understand (and it is in your best interest to know) what your policy includes, what it excludes, and what is limited (payable but with limits). Please take time to read through your policy before you travel. Italicized terms are defined in your policy.

- Travel insurance covers claims arising from sudden and unexpected situations (i.e. accidents and emergencies) and typically not follow-up or recurrent care.
- To qualify for this insurance, you must meet all of the eligibility requirements.
- This insurance contains limitations and exclusions (i.e. medical conditions that are not stable, pregnancy, child born on trip, excessive use of alcohol, high risk activities).
- This insurance may not cover claims related to pre-existing medical conditions, whether disclosed or not at time of policy purchase.
- Contact our Assistance Centre before seeking treatment or your benefits may be limited.
- In the event of a claim your prior medical history may be reviewed.
- If you have been asked to complete a medical questionnaire and any of your answers are not accurate or complete, your policy will be voidable.

**IT IS YOUR RESPONSIBILITY TO UNDERSTAND YOUR COVERAGE. IF YOU HAVE QUESTIONS, PLEASE CALL THE CUSTOMER SERVICE CENTRE AT THE NUMBER PROVIDED IN YOUR CONFIRMATION.**

#### Notice required by the Alberta Insurance Act:

This policy contains a provision removing or restricting the right of the insured to designate persons to whom or for whose benefit insurance money is to be payable.

## Identification of Insurer

This policy is underwritten by The Manufacturers Life Insurance Company (Manulife). Manulife has appointed Active Claims Management Inc. (operating as Active Care Management) as the provider of all assistance and claims services under this policy.

## General Information

### Insuring Agreement

In consideration of the application for insurance for which you have met the eligibility requirements and paid the appropriate premium, we will pay, up to a maximum aggregate of \$2,000,000 CDN per policy, for the *reasonable and customary* charges of covered expenses incurred as a

result of an *emergency* or any other covered loss (excluding losses related to the accidental death or dismemberment benefit) incurred while *you* are on *your trip*, subject to the terms, limitations, exclusions and other conditions of this policy. Some benefits are subject to advance approval by *our* Assistance Centre. Unless otherwise stated, all amounts referred to in this policy are in Canadian dollars. *You* will be responsible for any expenses that are not payable by *us*. Coverage under this policy is issued on the basis of information provided in *your* application. *Your* entire contract with *us* consists of: this policy, *your* application for this coverage, the *confirmation* issued in respect of that application and any other amendments or endorsements resulting from extensions of coverage.

#### **Your coverage starts on the later of:**

- the *effective date* shown on *your confirmation*; or
- for an *inbound* trip, the date and time of *your* arrival in Canada; for an *outbound trip*, the date and time *you* leave Canada; or for a *national student*, the date and time *you* leave *your home*.

A *waiting period* will apply if *you* purchase this coverage after *your* arrival at *your destination*. Please review the *waiting period* definition.

#### **Your coverage ends on the earliest of:**

- the expiry date shown on *your confirmation*; or
- no more than sixty (60) days after the date *your* enrolment as a student at a recognized educational institute terminates unless *you* are in the U.S.A. holding a valid F1 visa; or
- if *you* have purchased *inbound coverage*, the date *you* become insured under a *government health insurance plan*; or
- if *you* are a Canadian, the date *you* are no longer covered by a *government health insurance plan*; or
- if *you* are *inbound*, sixteen (16) days from the date *you* leave Canada to visit another country or when *you* exceed 49% of *your period of coverage* while visiting another country (except *your home country*) (coverage may be reinstated on the date *you* return to Canada with the approval of *our* Assistance Centre and if *you* can provide a statement of good health); or
- the date *you* cease to be a *spouse* or *dependant* as defined in this policy; or
- 365 days after the *effective date* of *your* policy; or
- the date *you* return *home*.

#### **What is covered outside Canada?**

If *your home country* is Canada and *you* have purchased coverage for an *outbound trip*, *you* are covered for *emergency* and Wellness Benefits while travelling outside Canada for the *period of coverage* shown on *your confirmation*.

If *your home country* is not Canada and *you* have purchased coverage for an *inbound trip*, *you* are covered for *emergency* medical benefits while *you* travel outside Canada for periods of up to fifteen (15) consecutive days, provided *your* travel outside Canada does not exceed 49% of *your period of coverage* and as long as *your* travel outside of Canada originates and terminates in Canada and excludes *your home country*.

#### **To stay longer than planned**

If *you* already have coverage, simply call the broker from whom *you* purchased this coverage. *You* may be able to extend *your* coverage as long as:

- *your period of coverage* does not extend beyond 365 days;
- *you* remain eligible for insurance under this plan;
- *we* have received the extension request prior to the *expiry date* of *your* existing policy issued by *us*; and
- there has been no change between single or family coverage.

**Note:** For policy extensions, no losses or expenses or benefits will be paid for any *sickness* or *injury* which first appeared, whether diagnosed or not, or for which *treatment* may or may not have been received prior to the *effective date* of the extension of coverage under this policy.

**Automatic extension** is provided at no additional premium if *you* are unavoidably delayed through no fault of *your* own beyond the date *you* were scheduled to return to *your home country* if:

- *you* are *delayed* while travelling as a fare-paying passenger in a common carrier or by private *vehicle* and the delay is caused by mechanical breakdown, a traffic accident or inclement weather. In this case, *we* will extend *your* coverage for up to seventy-two (72) hours; or
- *you* are *hospitalized* on that date. In this case, *we* will extend *your* coverage during the *hospitalization* and for up to seventy-two (72) hours after discharge; or
- *you* have an *emergency* that does not require *hospitalization* but prevents travel. In this case, *we* will extend *your* coverage for up to seventy-two (72) hours following medical approval to travel.

**Family Coverage** is available to *you*, *your spouse* and *dependants* who are travelling with *you*, who are listed on *your* application, and who are under *age* 45 if *you* have applied and paid for family coverage.

#### **Premium**

The required premium will be determined according to the schedule of premium rates in effect at the time *your* application for coverage is received by *us* or *our* agent. Premium rates and policy terms and conditions are subject to change without prior notice.

Upon payment of premium, this document becomes a binding contract when accompanied by a *confirmation* upon which a contract number appears.

Coverage will be null and void if the premium is not paid in full or received, if a cheque is not honoured for any reason, if credit card charges are invalid or if no proof of *your* payment exists.

#### **Refunds**

Full refunds must be requested in writing to *us* before coverage commences. Partial refunds must be requested in writing to *us* before coverage expires. The refund (minimum premium of \$50) is calculated from the postmark date of *your* request, provided there has been no incident which has resulted or will result in a claim during *your trip*, and provided

that *you* mail *your* written refund request within five (5) days of *your* departure from *your destination* (or *your* return *home*, for Canadians studying abroad).

All travellers insured under the same *confirmation* must return together for a refund to be possible.

If *you* are an *inbound* student who has obtained coverage under a Canadian *government health insurance plan* and *you* have not reported or initiated a claim or been provided with any assistance services, *you* may, before *your* coverage expires, ask for a refund of the premium (minimum \$50) for the unused days of *your trip*. *You* will need to provide proof of the *effective date* of *your* Canadian *government health insurance plan*.

**+1 (519) 251-7401 collect to Canada**  
 from anywhere else in the world.

**24 hours a day, each day of the year.**

Immediate access to the Assistance Centre is also available through its TravelAid mobile app. To download the app, visit: <http://www.active-care.ca/en/travelaid/>

Please note that **if *you* do not call** the Assistance Centre in an *emergency* and prior to any *treatment*, *you* will have to pay 20% of the eligible medical expenses *we* would normally pay under this policy. If it is medically impossible for *you* to call when the *emergency* happens, *we* ask that *you* call as soon as *you* can or that someone call on *your* behalf.

**Do not assume that someone will contact the Assistance Centre for *you*. It is *your* responsibility to verify that this has been done.**

If *you* choose to pay eligible expenses directly to a health service provider without prior approval by the Assistance Centre, these services will be reimbursed to *you* on the basis

of the *reasonable and customary* charges that *we* would have paid directly to such provider. Medical charges that *you* pay may be higher than this amount; therefore, *you* will be responsible for any difference between the amount *you* paid and the *reasonable and customary* charges reimbursed by *us*. Some benefits are not covered if they have not been authorized and arranged by the Assistance Centre.

**Notice and Proof of Claim.** Claims must be reported within 30 days of occurrence of a claim arising under this contract. *Your* proof of claim must be sent to *us* within 90 days of the date a claim has occurred or the service was provided.

**Failure to Give Notice or Proof of Claim.** Failure to give notice or proof of claim within the prescribed period does not invalidate the claim if the notice or proof is given or provided as soon as reasonably possible and in no event later than one year from the date of the occurrence arising under this contract, if it is shown that it was not reasonably possible to give notice or furnish proof within the time so prescribed.

**Proof of Claim.** The Assistance Centre will furnish forms for proof of claim within 15 days after receiving notice of claim. Where the claimant has not received the forms within that time, the claimant may submit his or her proof of claim in the form of a written statement of the cause or nature of the accident, *sickness* or *injury* or insured risk giving rise to the claim and the extent of the loss or *you* can submit *your* proof of claim online.

*You* may call the Claims Centre directly for specific information on how to submit a claim or to enquire about *your* claim status at: **1 877 331-3230** or **+1 (519) 251-7402**.

All money payable under this contract shall be paid by *us* within 60 days after *we* have received proof of claim and all required documentation.

**If *you* are making a medical claim**, *we* will need:

- a) original itemized receipts for all bills and invoices;
- b) proof of payment by *you* and by any other benefit plan;
- c) medical records including complete diagnosis by the attending *physician* or documentation by the *hospital*, which must support that the *treatment* was medically necessary;
- d) proof of the accident if *you* are submitting a claim for dental expenses resulting from an accident;
- e) proof of travel (including departure and return dates);
- f) *your* historical medical records (if *we* determine applicable); and
- g) proof of enrolment in a recognized institute of learning.

**If *you* are making an accidental death or dismemberment claim, *we* will need:**

- a) a police, autopsy or coroner's report;
- b) medical records; and
- c) a death certificate, as applicable.

If *your* body is not found within twelve (12) months of the accident, *we* will presume that *you* died as a result of *your* injuries.

**To whom will *we* pay benefits if *you* have a claim?**

Except in the case of *your* death, *we* will pay the benefits and covered expenses under this insurance to *you* or the provider of the service. Any sum payable for loss of life will be payable to *your* estate. *You* must repay *us* any amount paid or authorized by *us* on *your* behalf if *we* determine that the amount is not payable under *your* policy. All amounts shown throughout this contract are in Canadian dollars. If currency conversion is necessary, *we* will use *our* exchange rate on the date *you* received the service outlined in *your* claim. *We* will not pay for any interest under this insurance.

**How does this insurance work with other coverages that *you* may have?**

The insurance outlined in this policy are second payor coverages. If there are other third-party liability, group or individual, basic or extended health insurance plans or contracts including any private or provincial or territorial auto insurance plans providing *hospital*, medical or therapeutic coverage or any other third-party liability insurance in force concurrently herewith, amounts payable hereunder are limited to that portion of *your* eligible covered expenses that are in excess of the amounts for which *you* are insured under such coverage.

Total benefits paid to *you* by all insurers cannot exceed *your* actual expenses. *We* will coordinate the payment of benefits with all insurers who provide *you* with benefits similar to those provided under this insurance, to a maximum of the largest amount specified by each insurer.

In addition, *we* have full rights of subrogation. In the event of a payment of a claim under this policy, *we* will have the right to proceed, in *your* name, but at *our* expense, against third parties who may be responsible for giving rise to a claim under this policy. *You* will execute and deliver such documents as are necessary and cooperate fully with *us* to allow *us* to fully assert *our* rights. *You* must do nothing to prejudice such rights. If *you* are insured under more than one insurance policy underwritten by *us*, the total amount *we* pay to *you* cannot exceed *your* actual expenses; and the maximum *you* are entitled to is the largest amount specified for the benefit in any one policy. If the total amount of all accident insurance *you* have under policies issued by *us* is more than \$100,000 CDN, *our* aggregate liability will not exceed \$100,000 and any excess insurance will be void and the premiums paid for such excess insurance will be refunded.

**Is there anything else *you* should know if *you* have a claim?**

This insurance is void in the case of fraud or attempted fraud, or if *you* conceal or misrepresent any material fact in *your* application for this policy or extension of coverage under this policy.

*You* must be accurate and complete in *your* dealings with *us* at all times.

*We* will not pay a claim if *you*, any person insured under this policy or anyone acting on *your* behalf attempt to deceive *us* or makes a fraudulent, false or exaggerated statement or claim.

This policy is non-participating. *You* are not entitled to share in *our* divisible surplus.

**Despite any other provisions of this contract, this contract is subject to the statutory conditions contained in the Insurance Act as applicable in *your* province or territory of residence, respecting contracts of accident and sickness insurance.**

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act or in the *Limitations Act*, 2002 in Ontario or other applicable legislation.

If *you* disagree with *our* claim decision, the matter may be submitted for judicial resolution under the applicable law(s) of the Canadian province or territory where *you* reside at the time of application for this policy, or, for *inbound* students, in the Canadian province or territory where *your* policy was issued.

**Limitation of Liability.** *Our* liability under this policy is limited solely to the payment of eligible benefits, up to the maximum amount purchased, for any loss or expense. Neither *we*, upon making payment under this policy, nor *our* agents or administrators assume any responsibility for the availability, quality, results or outcome of any *treatment* or service, or *your* failure to obtain any *treatment* or service covered under the terms of this policy. The participation of the insurers is several and not joint and none of them will, under any circumstances, participate in the interest and liabilities of any of the others.

**Copy of Application.** Upon request, a copy of the application shall be given to *you* or to a claimant under the contract.

**Waiver.** *We* reserve the right to decline any application or any request for extensions of coverage. No condition of this policy shall be deemed to have been waived, either in whole or in part, unless the waiver is clearly expressed in writing and signed by Manulife.

Where notice of termination is delivered to *you*, five (5) days notice of termination will be given; where it is mailed to *you*, 10 days notice will be given and the ten (10) days will begin on the day following the date of mailing of the notice.

**Termination by Insured.** *You* may terminate this contract at any time by mailing or delivering a written notice of termination to *us* at *our* office. See the refunds section of this policy.

**Rights of Examination.** For the purposes of determining the validity of a claim under this policy, *we* may obtain and review the medical records of *your* attending *physician(s)*, including the records of *your* regular *physician(s)* at *home*. These records may be used to determine the validity of a claim whether or not the contents of the medical records were made known to *you* before *you* incurred a claim under this policy. In addition, *we* have the right, and *you* shall afford *us* the opportunity, to have *you* medically examined when and as often as may reasonably be required while benefits are being claimed under this policy. If *you* die, *we* have the right to request an autopsy, if not prohibited by law.
